

## Background

The William J. Dowdy Foundation has been established in honor of Mr. William J. Dowdy the founder for Razac Products Company. Razac Products, a family owned and operated cosmetic manufacturer, was established in 1981. Mr. Dowdy dedicated his life to developing a very successful business, while at the same time giving back to the communities that have been instrumental in the growth and development of Razac products.

In honor of his many years of dedicated service to the community, we are asking you to join and support us as we continue his efforts with our annual golf tournament.

## Mission

The William J. Dowdy Foundation is a 501 C (3) tax exempt non profit organization established in 2006. Our mission is to provide children in the greater Newark, NJ area with increased opportunities for exposure to the Arts, Culture, Science and Athletics. In addition, we look to empower our youth by providing scholarship benefits to assist in laying a strong foundation for their future.

While overwhelmingly worthwhile, it is not the foundation's lone intent to solely fund scholarships. The foundation is also extremely dedicated to the implementation of crisis intervention and disaster relief programming that will uniquely offer assistance to individuals who need emergency aid. Moreover, it is also our organizational commitment to continue to develop interactive community based projects that will better serve the greater Newark area.
